

ABOUT THE STATE

Happenings of Interest from Different Sections.

Only nine new houses have been built in Rutland during 1920.

In Wolcott, 53 women had their names on the checklist and every one of them was on hand and voted at the primary.

C. W. Griffiths raised in his garden in North Wolcott this summer a pumpkin that measured the long way 62 inches and 52 inches the other way, weighing 60 pounds.

Mr. and Mrs. Albert O. Reed celebrated their 50th wedding anniversary at their home in Readsboro Sept. 21, and Mr. and Mrs. Clark Chandler celebrated their golden wedding anniversary at their home in Wilmington Sept. 20.

Mrs. Louise Converse observed her 90th birthday anniversary at her home in Panton Sept. 20 by inviting in friends to help her celebrate. Besides other gifts, Mrs. Converse was presented a cake bearing 90 candles.

Rev. Dr. George E. Price, pastor of the Rutland Methodist church, fell from the roof of the parsonage as he was inspecting the slate roofing Wednesday and broke two ribs. He dropped about 15 feet from the roof to the ground.

In Windham county court Wednesday, Ludwig Muller, who had brought from Utah, N. Y., pleaded guilty to taking the automobile of Mrs. Kenella Belair of Brattleboro without leave and was sentenced to two months in the house of correction. The car was found in Utica.

Two barns, belonging to Arthur Goodno of Brandon, a horse barn and cow barn, a granary and silo, were destroyed by fire Sept. 21, together with between 20 and 30 tons of hay, 100 bushels of oats and a silo full of ensilage. The barns were partially insured, but the crops were a total loss.

If the citizens of Brattleboro decide to build a soldiers' memorial with the \$28,000 left in the war chest, George L. Dunham, president of the Dunham Bros. Co., will donate as his share a \$16,000. There is a large residence on the land, which is included in the offer.

Harry Dahlstrom, son of Rev. Julius Dahlstrom of Providence, R. I., formerly pastor of the Swedish Congregational church in Brattleboro, is in a hospital in New York City with a broken spine. Mr. Dahlstrom was swimming at Long Beach, L. I., Sept. 12, and was diving in the surf when it caught him under the chin and broke his spine at the base of the neck. No hope of his recovery is held out, but the physicians in attendance say he may live only a short time or it may be for months.

OVER 100 HORSES ENTERED

For the Racing Schedule at Vermont State Fair.

White River Junction, Sept. 24.—The racing schedule of the Vermont state fair which opens here on Tuesday, Sept. 28, and continues four days, promises to be the best race meet that has ever taken place upon the state fair grounds. Every event has been filled to capacity and many of the horses have won new records this season. Over 100 horses are entered.

The cattle department is both large and of the finest stock of the many breeds exhibited in Vermont. Hereford, Holstein, Ayrshire and Jersey. In this exhibit there is included 40 yoke of oxen, among them some of the largest animals ever shown upon a fair ground.

Both sheep and swine departments will be large. The former will have over 300 sheep of the several breeds. Every building upon the grounds has been placed in first-class shape. The fish exhibit, made by the state fish and game commission, will be far more extensive than in previous years.

Every effort has been put forth by the Morgan Horse club to make the showing of Morgans the best and the largest ever shown since the organization of the club. Entries have been made from several states and Morgan admirers are sure to be on the grounds in augmented numbers.

Aviator Swan, with a 130-horse power Curtiss biplane, will perform all the many air stunts, giving two exhibitions each afternoon. Prof. Bonnette will make balloon ascensions and parachute jumps.

With two bands of music, the largest of midways, the big exhibits and the track events the visitor of the Vermont state fair this year will be well repaid for the time spent.

CHURCH CONSECRATED.

\$11,000 Debt Paid and Note Burned—Pastor Given Auto.

Woodstock, Sept. 24.—St. James church was consecrated with impressive services Wednesday. Coadjutor Bishop George V. Bliss officiating. At the opening of the service, the clergy and choir marched around the church and entered through the main aisle to the chancel and choir.

A report from the financial committee of the parish showing it was free of debt was read by Vestryman Norman Williams, following which came consecration services. The sermon was preached by Rev. Charles S. Lewis of Trenton, N. J., former rector here.

At 1 o'clock luncheon was served at the Woodstock Country club to about 100 people, at which several brief addresses were made. Col. F. S. Billings presided toastmaster. Bishop Bliss spoke on the history of the church in Vermont and other speakers were Rev. Mr. Lewis, Rev. Mr. Dow of Charlestown, N. H., Rev. Mr. White of Sherburne and C. F. Chapman of Woodstock.

In behalf of members of the parish and the people of the community, Mr. Chapman presented an automobile to Rev. Mr. White for the use of the Sherburne mission.

St. James parish was organized in 1826 and its first church edifice was consecrated in 1828. The last service in this building was held April 28, 1907, and the present stone structure was completed and dedicated about two years later. At the time the present church was completed the parish was \$11,000 in debt, for which a note was issued. This has been paid, Treasurer C. F. Chapman announced, and, after luncheon, he burned the original note in the presence of members of the parish.

PESKY BED BUGS

(Pesky Devils Quietus) P. D. Q. is a new chemical that puts the exterminating to the pesky bedbugs, roaches, ants and cockroaches. It is the only one that is safe for the pesky devil to exist where P. D. Q. is used.

Recommendation of Hotels, Hospitals, Railroad Companies and other public institutions are a guarantee to the public that the pesky insects are killed by the use of P. D. Q. as this chemical kills the insects as they live, and will not injure the clothing.
